This index to PUBLIC HEALTH REPORTS is divided into a subject index and an author index. The subject index has one or more entries for each item published. In addition to the subject headings, categorical headings include CONFERENCE ANNOUNCEMENTS, EDITORIALS, LETTERS TO THE EDITOR, AND PUBLICATION REVIEWS.

## SUBJECT INDEX

### AGING

an aging nation presents new challenges to the health care system .....	e	1
the challenge of aging societies—United States-Israel Cooperation in Health.....	br	515
the challenge of combining clinical approaches with function in treating the elderly .....	a	528
creating a master's degree program in gerontology and geriatrics.....	a	526
the economic cost of senile dementia in the United States .....	a	3
educating health care providers to care for the elderly epidemiology and services for the aged .....	a	522
functional assessment as a model for clinical evaluation of geriatric patients .....	a	516
the health of the elderly .....	a	530
using epidemiologic data to plan services for the elderly.....	br	437
workshop: Alzheimer's disease and other dementias ..	br	543
workshop: forecasting the care needs of the elderly: methodology and limitations .....	br	541
workshop: health promotion for the elderly .....	br	545

workshop: hospital, community, and informal care for older persons .....	br	539
workshop: resources for research in aging: special populations, longitudinal studies, tissue banks, research personnel .....	br	536

### AIDS

a "call to arms" for health care workers .....	e	337
AIDS patients eligible for benefits under new Social Security regulation .....	br	327
the American Medical Association and the war on AIDS.....	a	282
bibliography available on AIDS health services delivery and costs .....	br	327
containing the spread of HIV infection: a world health priority .....	a	221
cooperative groups to pool expertise in developing new approaches to HIV vaccines.....	br	436
current CDC efforts to prevent and control human immunodeficiency virus infection and AIDS in the United States through information and education ..	a	255
the development of an AIDS vaccine: progress and promise.....	a	230
educating nursing students about quality care and safe practices in the AIDS epidemic .....	a	278
the effects of the AIDS epidemic on the safety of the nation's blood supply .....	a	236
the epidemiology of AIDS and its global impacts ....	br	437
"We are your sons, your daughters . . ." .....	e	209
forecasting the personal medical care costs of AIDS from 1988 through 1991 .....	a	309
governors asked by Bowen to share AIDS information .....	b	102
HIV-AIDS transmission symbols .....	a	58
HIV transmission to female sexual partners of HIV antibody-positive hemophiliacs .....	a	54
HRSA AIDS curriculum conferences assist primary care health professionals .....	br	553
in pursuit of the number one public health problem ..	a	211
the Institute of Medicine, National Academy of Sciences: formulating AIDS policy.....	a	289
intravenous drug use and AIDS prevention.....	a	261
issues related to care of AIDS patients addressed by task force report.....	br	326
Labor, HHS urge health care employers to protect workers against hepatitis B and AIDS .....	br	99
making fair decisions about financing care for persons with AIDS .....	a	305
meeting the needs of people with AIDS: local initiatives and Federal support .....	a	293
monitoring the levels and trends of HIV infection: the Public Health Service's HIV surveillance program ..	a	213
NAN—a national voice for community-based services to people with AIDS .....	a	299
NCHS AIDS data .....	br	96
New York State assesses spread of HIV .....	br	100
new regional centers to support community efforts against AIDS.....	br	434
the pathology of AIDS .....	a	246

the development of an AIDS vaccine: progress and promise.....	a	230
educating nursing students about quality care and safe practices in the AIDS epidemic .....	a	278
the effects of the AIDS epidemic on the safety of the nation's blood supply .....	a	236
the epidemiology of AIDS and its global impacts ....	br	437
"We are your sons, your daughters . . ." .....	e	209
forecasting the personal medical care costs of AIDS from 1988 through 1991 .....	a	309
governors asked by Bowen to share AIDS information .....	b	102
HIV-AIDS transmission symbols .....	a	58
HIV transmission to female sexual partners of HIV antibody-positive hemophiliacs .....	a	54
HRSA AIDS curriculum conferences assist primary care health professionals .....	br	553
in pursuit of the number one public health problem ..	a	211
the Institute of Medicine, National Academy of Sciences: formulating AIDS policy.....	a	289
intravenous drug use and AIDS prevention.....	a	261
issues related to care of AIDS patients addressed by task force report.....	br	326
Labor, HHS urge health care employers to protect workers against hepatitis B and AIDS .....	br	99
making fair decisions about financing care for persons with AIDS .....	a	305
meeting the needs of people with AIDS: local initiatives and Federal support .....	a	293
monitoring the levels and trends of HIV infection: the Public Health Service's HIV surveillance program ..	a	213
NAN—a national voice for community-based services to people with AIDS .....	a	299
NCHS AIDS data .....	br	96
New York State assesses spread of HIV .....	br	100
new regional centers to support community efforts against AIDS.....	br	434
the pathology of AIDS .....	a	246

progress in drug therapies for HIV infection .....	a	224	alcoholism treatment services systems: a health services research perspective .....	a	605
the role of the American Hospital Association in combating AIDS .....	a	273	alcohol-related birth defects: an update .....	a	638
the role of the FDA in the effort against AIDS .....	a	242	assessment of the potential for surveillance of alcohol-related casualties using National Hospital Discharge Survey data .....	a	597
role of the State health agencies in responding to AIDS .....	a	267	control of stress and violent behavior: mid-course review of the 1990 health objectives .....	a	38
Secretary Bowen sets department-wide pediatric HIV disease initiative .....	br	325	education campaign stresses treatability of depression .....	br	436
study of Haitian boat people shows prevalence of HBV and HIV markers .....	br	98	genetics and biological markers of risk for alcoholism .....	a	690
"Understanding AIDS" [reprinted brochure] .....	a	328	an overview of prevention research: issues, answers, and new agendas .....	a	674
video for health care providers available on responding to the patient with HIV infection .....	br	435	a perspective on science and public health policy ....	a	575
"We are your sons, your daughters . . ." .....	e	209	screening for alcoholism: techniques and issues .....	a	586
WHO estimates 300,000 AIDS cases by year's end ...	br	207	statistics on mental health service delivery systems compiled in NIHM report .....	br	435
<b>ALCOHOL</b>			theories and models supporting current prevention approaches to alcohol problems among youth .....	a	578
alcohol and highway safety: in a public health perspective .....	a	653	trends in alcohol-related morbidity and mortality ....	a	592
alcohol dependency prevention and early intervention .....	a	683	<b>ALZHEIMER'S DISEASE</b>		
alcoholism research: delivering on the promise .....	a	569	workshop: Alzheimer's disease and other dementias ..	br	543
alcoholism treatment services systems: a health services research perspective .....	a	605	<b>AMERICAN HOSPITAL ASSOCIATION</b>		
alcohol problem resources and services in State supported programs during FY 1987 .....	a	611	the role of the American Hospital Association in combating AIDS .....	a	273
alcohol-related birth defects: an update .....	a	638	<b>AMERICAN MEDICAL ASSOCIATION</b>		
alcohol use .....	br	437	the American Medical Association and the war on AIDS .....	a	282
assessment of the potential for surveillance of alcohol-related casualties using National Hospital Discharge Survey data .....	a	597	<b>AREA RESOURCE FILE</b>		
a behavioral research perspective on alcohol abuse and alcoholism .....	a	699	the Area Resource File—a brief look .....	a	184
biological features of women's alcohol use: a review ..	a	628	<b>ASIAN PACIFIC AMERICANS</b>		
characteristics of drowning deaths in North Carolina ..	a	406	hypertension and related health issues among Asians and Pacific Islanders in California .....	a	28
children of alcoholics: helping a vulnerable group ....	a	643	population characteristics and health care needs of Asian Pacific Americans .....	a	18
drug use and illnesses among eighth grade students in rural schools .....	a	394	<b>AZIDOTHYIMIDINE</b>		
the economic impact of alcohol abuse and alcoholism ..	a	564	forecasting the personal medical care costs of AIDS from 1988 through 1991 .....	a	309
effects of legislative reform to reduce drunken driving and alcohol-related traffic fatalities .....	a	659	progress in drug therapies for HIV infection .....	a	224
the "friend" that betrays .....	e	557	the role of the FDA in the effort against AIDS .....	a	242
genetics and biological markers of risk for alcoholism ..	a	690	<b>BEHAVIOR</b>		
IHS workshops train community health workers in nutritional problems of alcoholism treatment .....	br	207	a behavioral research perspective on alcohol abuse and alcoholism .....	a	699
the Indian Health Service approach to alcoholism among American Indians and Alaska Natives .....	a	621	control of stress and violent behavior: mid-course review of the 1990 health objectives .....	a	38
an overview of prevention research: issues, answers, and new agendas .....	a	674	design, characteristics, and usefulness of State-based behavioral risk factor surveillance: 1981-87 .....	a	366
a perspective on science and public health policy ....	a	575	predictors of health practices within age-sex groups: national survey of personal health practices and consequences, 1979 .....	a	376
raising public awareness about the extent of alcohol-related problems: an overview .....	a	559			
research on alcohol problems from the perspective of changes—1940 to 1990 .....	a	707			
the role of alcohol in suicides in Erie County, NY, 1972-84 .....	a	648			
screening for alcoholism: techniques and issues .....	a	586			
theories and models supporting current prevention approaches to alcohol problems among youth .....	a	578			
trends in alcohol-related morbidity and mortality ....	a	592			
university students' drinking patterns and problems: examining the effect of raising the purchase age ...	a	667			
<b>ALCOHOL, DRUG ABUSE, AND MENTAL HEALTH ADMINISTRATION</b>					
alcoholism research: delivering on the promise .....	a	569			

## BIRTHS

alcohol-related birth defects: an update.....	a	638
discrepancies in birth weights between hospital records and health department data for low birth weight infants in New York City.....	a	472
life expectancy 1900-85.....	br	202
life expectancy high.....	br	100
malpractice premiums and primary cesarean section rates in New York and Illinois.....	a	459
U.S. fertility rate lowest ever while births increase for the unmarried.....	br	100
validation of maternally reported birth weights among 46,637 Tennessee WIC Program participants.....	a	143

## BLOOD SUPPLY

the effects of the AIDS epidemic on the safety of the nation's blood supply.....	a	236
--	---	-----

## CANCER

cancer.....	br	437
cancer mortality among Mexican immigrants in the United States.....	a	195
ethnic differences in smoking patterns: findings from NHIS.....	a	387
tobacco and health: a review of the history and suggestions for public health policy.....	a	8

## CARDIOVASCULAR DISEASE

cardiovascular disease.....	br	437
the role of physicians in a community-wide program for prevention of cardiovascular disease: the Minnesota Heart Health Program.....	a	360

## CARE FOR THE ELDERLY

the challenge of combining clinical approaches with function in treating the elderly.....	a	528
workshop: forecasting the care needs of the elderly: methodology and limitations.....	br	541
workshop: hospital, community, and informal care for older persons.....	br	539

## CENTERS FOR DISEASE CONTROL

assessing trends in mortality in 121 U.S. cities, 1970-79, from all causes and from pneumonia and influenza.....	a	120
current CDC efforts to prevent and control human immunodeficiency virus infection and AIDS in the United States through information and education..	a	255
design, characteristics, and usefulness of State-based behavioral risk factor surveillance: 1981-87.....	a	366
monitoring the levels and trends of HIV infection: the Public Health Service's HIV surveillance program..	a	213
Secretary Bowen sets department-wide pediatric HIV disease initiative.....	br	325
disease outbreaks—examples of community service....	a	72

## CHILDREN

children of alcoholics: helping a vulnerable group....	a	643
cost-benefit analysis of safety belts in Texas school buses.....	a	479
discrepancies in racial designations of school children in Minneapolis.....	a	485
drug use and illnesses among eighth grade students in rural schools.....	a	394
health and safety concerns of day care examined....	br	207
injury fatalities among young children.....	a	399
program priorities of crippled children's agencies: a survey.....	a	77
Secretary Bowen sets department-wide pediatric HIV disease initiative.....	br	325
smoking and children.....	e	105
study tests lowering cholesterol in children through diet.....	br	204
use and sources of payment for health and community services for children with impaired mobility.....	a	411

## CHOLESTEROL

high incidence of elevated cholesterol levels found by local screening program.....	br	436
the role of physicians in a community-wide program for prevention of cardiovascular disease: the Minnesota Heart Health Program.....	a	360
study tests lowering cholesterol in children through diet.....	br	204

## COMMISSIONED CORPS

Public Health Service's Commissioned Corps to celebrate centennial.....	br	715
---	----	-----

## COMMUNITY SERVICE

NAN—a national voice for community-based services to persons with AIDS.....	a	299
training public health students to investigate disease outbreaks—examples of community service.....	a	72
use and sources of payment for health and community services for children with impaired mobility.....	a	411

## CONFERENCE ANNOUNCEMENTS

AAPHD calls for papers for 1988 annual meeting...	103
NCHS data users conference scheduled for July 1988	323
1989 public health conference on records and statistics.....	br 715
VIIth International Pneumoconioses Conference scheduled for Pittsburgh.....	101

## CONTRACEPTIVES

are condom instructions readable? results of a readability study.....	a	355
family planning for teens: strategies for improving outreach and service delivery in public health settings.....	a	422

## CRIPPLED CHILDREN'S AGENCIES

- program priorities of crippled children's agencies: a survey ..... a 77
- use and sources of payment for health and community services for children with impaired mobility ..... a 411

## DATA BASES AND DATA FILES

- family public use data tape on health care expenditures available to users ..... br 97
- MATCH: a maternal and child health information network ..... a 147
- NCHS data line for 1987 ..... br 549
- new NCHS public use data tapes ..... br 202
- 1985 vital statistics data tapes ..... br 203

## DENTAL HEALTH

- NIDR—40 years of research advances in dental health ..... a 493

## DROWNING

- characteristics of drowning deaths in North Carolina ..... a 406

## DRUG ABUSE

- a continuing outbreak of hepatitis A linked with intravenous drug abuse in Multnomah County ..... a 452
- drug use and illnesses among eighth grade students in rural schools ..... a 394
- intravenous drug use and AIDS prevention ..... a 261

## DRUG THERAPY

- progress in drug therapies for HIV infections ..... a 224
- the role of the FDA in the effort against AIDS ..... a 242

## ECONOMICS, HEALTH

- cost-benefit analysis of safety belts in Texas school buses ..... a 479
- a cost-effectiveness analysis of self-help smoking cessation methods for pregnant women ..... a 83
- the economic cost of senile dementia in the United States, 1985 ..... a 3
- the economic impact of alcohol abuse and alcoholism estimates of incidence and costs of intestinal infectious diseases in the United States ..... a 564
- family public use data tape on health care expenditures available to users ..... a 107
- forecasting the personal medical care costs of AIDS from 1988 through 1991 ..... br 97
- making fair decisions about financing care for persons with AIDS ..... a 309
- malpractice premiums and primary cesarean section rates in New York and Illinois ..... a 305
- use and sources of payment for health and community services for children with impaired mobility ..... a 459
- ..... a 411

## EDITORIALS

- an aging nation presents new challenges to the health care system ..... 1

- a "call to arms" for health care workers ..... 337
- the "friend" that betrays ..... 557
- smoking and children ..... 105
- to the readers of *Public Health Reports* ..... 106
- a vital concern ..... 441
- "We are your sons, your daughters . . ." ..... 209

## ENVIRONMENTAL HEALTH

- critical professional manpower shortage seen in environmental health ..... br 434
- hospital administrators urged to implement nonsmoking policies ..... br 556
- observations on work force and training needs for assessing environmental health risks ..... a 348
- public forums explain New York's quest for radioactive waste site ..... br 102
- toxic agent and radiation control: progress toward objectives for the nation for the year 1990 ..... a 342

## FAMILY PLANNING

- family planning for teens: strategies for improving outreach and service delivery in public health settings ..... a 422

## FOOD AND DRUG ADMINISTRATION

- the role of the FDA in the effort against AIDS ..... a 242
- telephone hotline taking questions on safe food handling and preparation ..... br 435

## GENETIC COUNSELING

- genetic counseling in sickle-cell anemia: experiences with couples at risk ..... a 174

## GERIATRIC FUNCTIONAL ASSESSMENT

- functional assessment as a model for clinical evaluation of geriatric patients ..... a 530

## HEALTH CARE

- an aging nation presents new challenges to the health care system ..... e 1
- the Area Resource File—a brief look ..... a 184
- hard choices in public health ..... a 339
- health problems and use of services at two urban American Indian clinics ..... a 88
- a health survey of Klamath Indian elders 30 years after the loss of tribal status ..... a 166
- low-income person's access to health care: NMCUES Medicaid data ..... a 507
- population characteristics and health care needs of Asian Pacific Americans ..... a 18

## HEALTH DEPARTMENTS

- consortium building among local health departments in northwest Illinois ..... a 500
- family planning for teens: strategies for improving outreach and service delivery in public health settings ..... a 422

high incidence of elevated cholesterol levels found by local screening program .....	br	436
--	----	-----

## HEALTH EDUCATION

an aging nation presents new challenges to the health care system .....	e	1
are condom instructions readable? results of a readability study .....	a	355
a cost-effectiveness analysis of self-help smoking cessation methods for pregnant women .....	a	83
current CDC efforts to prevent and control human immunodeficiency virus infection and AIDS in the United States through information and education ..	a	255
education campaign stresses treatability of depression	br	436
hard choices in public health .....	a	339
high incidence of elevated cholesterol levels found by local screening program .....	br	436
intravenous drug use and AIDS prevention .....	a	261
NAN—a national voice for community-based services to persons with AIDS .....	a	299
population characteristics and health care needs of Asian Pacific Americans .....	a	18
raising public awareness about the extent of alcohol-related problems: an overview .....	a	559
telephone hotline taking questions on safe food handling and preparation .....	br	435

## HEALTH MANPOWER

the Area Resources File—a brief look .....	a	184
critical professional manpower shortage seen in environmental health .....	br	434
factors affecting the supply of minority physicians in 2000 .....	a	178
preparing public health leaders for the 1990s .....	a	443
Secretary Bowen appoints commission to improve nursing recruiting and retention nationwide .....	br	434

## HEALTH POLICY

AIDS patients eligible for benefits under new Social Security regulation .....	br	327
the American Medical Association and the war on AIDS .....	a	282
the effects of legislative reform to reduce drunken driving and alcohol-related traffic fatalities .....	br	659
hospital administrators urged to implement nonsmoking policies .....	br	556
the Institute of Medicine, National Academy of Sciences: formulating AIDS policy .....	a	289
issues related to care of AIDS patients addressed by task force report .....	br	320
making fair decisions about financing care for persons with AIDS .....	a	305
a perspective on science and public health policy ....	a	575
PEW doctoral programs in health policy recruits its third class .....	br	103
tobacco and health: a review of the history and suggestions for public health policy .....	a	8

## HEALTH PROFESSIONS EDUCATION AND TRAINING

a "call to arms" for health care workers .....	e	337
after Chernobyl—how U.S. physicians respond to radioactive fallout .....	a	128
the American Medical Association and the war on AIDS .....	a	282
creating a master's degree program in gerontology and geriatrics .....	a	526
educating health care providers to care for the elderly	a	522
educating nursing students about quality care and safe practices in the AIDS epidemic .....	a	278
HRSA AIDS curriculum conferences assist primary care health professionals .....	br	553
IHS Fellows Program aimed at lowering injuries, deaths of Indians, Alaska Natives .....	br	204
IHS workshops train community health workers in nutritional problems of alcoholism treatment .....	br	207
improving disease reporting in Los Angeles County: trial and results .....	a	415
meeting the needs of people with AIDS: local initiatives and Federal support .....	a	293
nutrition and counseling publications offered .....	br	101
observations on work force and training needs for assessing environmental health risks .....	a	348
PEW doctoral program in health policy recruits its third class .....	br	103
preparing and presenting an introductory course on motor vehicle injury .....	a	153
preparing public health leaders for 1990s .....	a	443
primary care Federal grant support influences career choices, study shows .....	br	102
report surveys State laws and regulations for health professionals .....	br	101
the role of the American Hospital Association in combating AIDS .....	a	273
the role of physicians in a community-wide program for prevention of cardiovascular disease: the Minnesota Heart Health Program .....	a	360
role of State health agencies in responding to AIDS ..	a	267
training public health students to investigate disease outbreaks—examples of community service .....	a	72
WHO book describes community-oriented medical school education .....	br	205

## HEALTH PROMOTION

design, characteristics, and usefulness of State-based behavioral risk factor surveillance: 1981-87 .....	a	366
education campaign stresses treatability of depression	br	436
how people obtain their health information—a survey in two Pennsylvania counties .....	a	189
new reports on health promotion and disease prevention .....	br	433
workshop: health promotion for the elderly .....	br	545

## HEALTH RESOURCES ADMINISTRATION

the Area Resource File—a brief look .....	a	184
educating health care providers to care for the elderly	a	522
health and safety concerns of day care examined ....	br	207
HRSA AIDS curriculum conferences assist primary care health professionals .....	br	553

HRSA contract continues National Organ Procurement transplantation network .....	br	100
HRSA grants to help community health centers to help the homeless .....	br	206
MATCH: a maternal and child health information network .....	a	147
meeting the needs of people with AIDS: local initiatives and Federal support .....	a	293
new HRSA office focuses on quality assurance activities .....	br	438
nutrition and counseling publications offered .....	br	101
primary care Federal grant support influences career choices, study shows .....	br	102

## HEALTH SERVICES UTILIZATION

a health survey of Klamath Indian elders 30 years after the loss of tribal status .....	a	166
current patterns in health care utilization .....	br	96
family public use data tape on health care expenditures available to users .....	br	97
health problems and use of services at two urban American Indian clinics .....	a	88

## HEARING

hearing sensitivity in farmers .....	a	61
--------------------------------------	---	----

## HEMOPHILIACS

HIV transmission to female sexual partners of HIV antibody-positive hemophiliacs .....	a	54
--	---	----

## HEPATITIS A AND B

a continuing outbreak of hepatitis A linked with intravenous drug abuse in Multnomah County .....	a	452
Labor, HHS urge health care employers to protect workers against hepatitis B and AIDS .....	br	99
study of Haitian boat people shows prevalence of HBV and HIV markers .....	br	98

## HIGHWAY SAFETY

alcohol and highway safety in a public health perspective .....	a	653
cost-benefit analysis of safety belts in Texas school buses .....	a	479
injury fatalities among young children .....	a	399
preparing and presenting an introductory course on motor vehicle safety .....	a	153

## HYPERTENSION

hypertension and related health issues among Asians and Pacific Islanders in California .....	a	28
---	---	----

## HYSTERECTOMIES

trends in hysterectomies .....	br	97
--------------------------------	----	----

## IMMIGRANTS

cancer mortality among Mexican immigrants in the United States .....	a	195
--	---	-----

study of Haitian boat people shows prevalence of HBV and HIV markers .....	br	98
--	----	----

## IMMUNIZATION

measles outbreaks in religious groups exempt from immunization laws .....	a	49
risk for measles related to immunization status in two Tucson high schools .....	a	162

## INDIAN HEALTH SERVICE

a health survey of Klamath Indian elders 30 years after the loss of tribal status .....	a	166
health problems and use of services at two urban American Indian clinics .....	a	88
IHS Fellows Program aimed at lowering injuries, deaths of Indians, Alaska Natives .....	br	204
IHS workshops train community health workers in nutritional problems of alcoholism treatment .....	br	207
the Indian Health Service approach to alcoholism among American Indians and Alaska Natives .....	a	621
Indian Health Service to be seventh PHS agency .....	br	103

## INFLUENZA

assessing trends in mortality in 121 U.S. cities, 1970-79, from all causes and from pneumonia and influenza .....	a	120
---	---	-----

## INJURY

cost-benefit analysis of safety belts in Texas school buses .....	a	479
injury fatalities among young children .....	a	399
preparing and presenting an introductory course on motor vehicle injury .....	a	153

## INTESTINAL INFECTIOUS DISEASES

estimates of incidence and costs of intestinal infectious diseases in the United States .....	a	107
---	---	-----

## KIDNEY AND URINARY TRACT DISEASES

six new research centers study kidney and urinary tract diseases .....	br	206
--	----	-----

## LEARNING DISABILITIES

uniform definition proposed for learning disabled ....	br	205
--	----	-----

## LETTERS TO THE EDITOR

Dr. Windom replies [to letter about reducing medical malpractice] .....	338
reducing medical malpractice: tort law reform is not the key .....	338

## MALPRACTICE

Dr. Windom replies [to letter about reducing medical malpractice] .....	ltr	338
---	-----	-----

primary cesarean section rates and malpractice premiums in New York and Illinois .....	a	459
reducing medical malpractice: tort law reform is not the key .....	ltr	338

## MATERNAL AND INFANT HEALTH

economic status differences in infant mortality by cause of death .....	a	135
health and safety concerns of day care examined ....	br	207
infant mortality rate down .....	br	100
MATCH: a maternal and child health information network .....	a	147
OMCH promotes breastfeeding through grants to 16 varied projects .....	br	550
